To: Chicago Province Consultors
From: Rick McGurn, S.J., Socius

Gents,

Some of you have already seen the copy of the Chicago Tribune article on Don McGuire, which I sent to the superiors this morning. Bau asked for me to also be sure to send it to each of the consultors. I will also be sending it to Brad Schaeffer (who is already aware of the situation) and to Frank Case.

In Xt,
Rick McG.
